

Vismaya Creative Studios

Round 28 — Industry Opportunity & Project Workflow

#	Feature	Final Decision
1	Opportunity Creation	Organization submits opportunity to Vismaya
2	Opportunity Types	All relevant talent/project opportunity types
3	Project Association	Every opportunity belongs to a project
4	Project Creation	Organization creates project details during submission
5	Opportunity Approval	Every opportunity requires Vismaya approval
6	Public Opportunity Info	Title + summary + role + location + deadline + remuneration
7	Restricted Information	Full brief available to every logged-in user
8	Application Eligibility	Organization defines eligibility requirements
9	Application Source	Talent applies through Vismaya
10	Application Materials	Talent profile only
11	Application Screening	Organization reviews applicants through Vismaya
12	Applicant Shortlisting	Organization can shortlist applicants
13	Audition/Interview	Organization can request audition/interview through Vismaya
14	Audition Materials	Self-tape/video can be submitted through Vismaya
15	Application Status	Applied → Under Review → Shortlisted → Selected / Not Selected
16	Talent Withdrawal	Talent can withdraw anytime
17	Organization Cancellation	Organization requests cancellation through Vismaya
18	Opportunity Deadline	Mandatory deadline + automatic closure
19	Project Completion	Organization can mark project/opportunity completed
20	Workflow Principle	Submit → Vismaya Review → Publish → Talent Applications → Organization Screening → Shortlist → Audition/Interview → Selection → Project Completion

Current Vismaya Opportunity Architecture

Organization → Project → Opportunity → Vismaya Review → Publication → Applications → Screening → Shortlisting → Audition/Interview → Selection → Project Completion

Immediate Actions / Locked Rules

1. Every opportunity is tied to a project.
2. Vismaya approves every opportunity before publication.
3. Talent applies only through Vismaya.
4. Organizations handle applicant screening and shortlisting.
5. Auditions/interviews and self-tapes can run through Vismaya.

6. Talent can withdraw an application at any time.
7. Organization cancellation requires a Vismaya request.
8. Deadlines are mandatory and opportunities close automatically.
9. Selection and project completion are recorded on the platform.

Document scope: Finalized Round 28 decisions and immediate workflow actions.
